- d) Payment will be made after deliveries of requirements at consignee end, Installation, completion and inspection certificate for Quality/Quantity issued by the concerned officers.

Cost of Bidding:

The bidder shall bear all costs associated with the preparation and submission of bid and BISE Sukkur will in no case be responsible or liable for those costs, regardless of the outcome of the bidding process.

Language of Bidding:

The bid must be prepared and submitted in English language. Supporting documents and printed literature furnished by the bidder with the bid may be in another language as long as they are accompanied by an English translation of the pertinent passages. For the purpose of interpretation of the Bid, English language shall prevail.

Confidentiality:

- a) Information relating to the evaluation of proposals and recommendations concerning award shall not be disclosed to the bidder(s) who submitted the proposals or to other persons not officially concerned with the process, until the award of Contract is notified to the successful firm(s).
- b) Information related to the examination evaluation, comparison and post qualification of Proposals, and recommendation of contract award, shall not be disclosed to Bidders or any other persons.

- c) Any attempt by a Bidder to influence BISE Sukkur in the examination, evaluation, comparison, and post – qualification of the Proposals or Contract award decisions will result in the rejection of its proposals.
- d) The bidder must provide an undertaking on judicial paper of Rs.200/- stating to maintain confidentiality and binding that the documents provided under this bid are correct and can be verified from concerned authorities.

Use of Documents and Information by external & internal Audit:

The Bidder shall permit BISE Sukkur to inspect their accounts and records relating to the performance of the supplier and to have them audited by auditors appointed by the BISE Sukkur, if so required by the BISE Sukkur can directly contact the references given in the technical requirement as a part of TENDER DOCUMENT to verify the bidder's technical reasons supporting compliance.

Bid Validity:

- a) Bid shall remain valid and open for acceptance for a period of 90 days from the specified date of tender opening.
- b) In exceptional circumstances prior to expiry of the original bid validity period, the bidder may be requested in writing for an extension of the period of validity. A bidder agreeing to such request will not be permitted to modify his bid. A bidder not agreeing to such request may be withdrawn at the discretion of BISE Sukkur.

Amendment of Bidding Documents:

- a) At any time prior to the deadline for submission of Bids, BISE Sukkur may for any reason, whether at its own initiative or in response to a clarification requested by a prospective Bidder can modify the Bidding Documents by making essential amendment.
- b) The amendment shall be the part of the Bidding Document, and will be notified in writing through letter through courier service or shall be made available on the BISE Sukkur's website www.bisesuksindh.edu.pk or SPPRA website www.ppm.pprasingh.gov.pk to all prospective bidders who have received the Bidding Documents.

Clarification(s) / Queries of Tender:

- a) The bidders are expected to carefully examine all instructions, forms and specifications in the Bidding Documents. Any Bidder in doubt as to the exact meaning or interpretation of any part of the Bidding Documents should immediately seek clarification in writing from the Secretary BISE Sukkur.

- b) Requests for all clarifications with regard to the given specifications or other information contained in Tender Documents should come either through Courier to the Secretary BISE Sukkur. Telephone enquiries may not be entertained.

Contradictions, Obscurities and Omissions:

The Bidder should likewise notify to the above of any contradictions, obscurities and omissions in the Bidding Documents if clarification of these is necessary for the clear understanding of the documents and for preparation of the Bid. Such enquires must reach to the Secretary, BISE, Sukkur not later than 30th June - **2023**

Inspection:

- a) The **inspection** will be carried on the Services by representatives of the BISE Sukkur (Inspection Committee) or concerned officers upon software and its features according to the requirements. It is Bidders responsibility to ensure quantity, correctness and adherence to the Specifications etc. any deviation will be rejected, and the supplying firm will be solely responsible for it.
- b) The **inspection report**, which, inter-alia, should indicate the condition, Quality as approved in inspection, features of software provided by the firm, shall be signed by the inspection committee or concerned officer.
- c) **Taking Over:** Upon delivery of software development services at BISE Sukkur and after inspection, the concerned Officers of BISE Sukkur will issue a **taking-over certificate** in respect of those software deployment received in acceptable condition.

Installation & Demonstration:

Installation

- a)After inspection and taking over of the concerned officer, as stated above, the **Contractor shall develop, install and deploy** the required software with features are to be install and run appropriately with all required services. For this purpose, the Contractor shall co-ordinate with the Secretary BISE Sukkur, for making arrangements for proper installation of delivered goods/ Machinery equipment or services.

Completion Certificate:

After completion of the installation and demonstration, as stated above, a certificate is to be obtained by the Contractor from the Secretary BISE Sukkur stating that the concerned officer has been satisfactorily installed and demonstrated by the Contractor.

Breach of Contract:

In case of breach of warranty / guarantee / Support or Contract, the **damages** suffered by the BISE Sukkur shall be **recovered from the Contractor** out of any payment due to the Contractor and / or in accordance with the terms and conditions of the terms and conditions of the Contract Security / Performance Bond, without notice to the Contractor.

Contractor's Default Liability:

- a) The BISE Sukkur may upon written notice of default to the Contractor **terminate the Contract** in the circumstances detailed hereunder:
 - i) If in the judgment of the BISE Sukkur, the Contractor fails to make delivery of the stores within the time specified in the Contract Agreement or within the period for which extension has been granted by the BISE Sukkur; and
 - ii) If, in the judgment of the BISE Sukkur, the Contractor fails to comply with any of the other provisions of the Contract.
- b) In the event the BISE Sukkur terminates the Contract, in whole or in part, as provided in above, the BISE Sukkur reserves the right to **purchase**, on such terms and the conditions as it may deem appropriate, Stores similar to the one terminated, and the Contractor will be liable to the BISE Sukkur for any additional costs for such **similar Stores**, and / or for liquidated damages for delay, as defined in Clause 1.18 (c) of the Conditions of Contract until such reasonable time as may be required for the final supply of the Stores.
- c) If the Contract is terminated, as provided in above, the BISE Sukkur, in addition to any other rights provided in this Clause, may require the Contractor to **transfer title** and deliver to the BISE Sukkur under any of the following cases in the manner and as directed by the BISE Sukkur.
- d) Any **completed work or services**; and such **partially completed**, drawings, information and contract right (hereinafter called manufacturing material or services) as the Contractor has specifically produced or acquired for the performance of such parts of the Contract as has been terminated.
- e) The BISE Sukkur will **pay to the Contractor** the Contract Price for the completed delivered to and accepted/ certified/ inspected by the Inspection Committee or concerned officers of BISE Sukkur and also for the delivered services.

- f) In the event the BISE Sukkur does not terminate the Contract, as provided above, the Contractor shall continue with the performance of his / her Contract, in which case the Contractor shall be liable to the BISE Sukkur for **liquidated damages for delay** as set out in Clause 1.18 (c) until the Stores are accepted.

Partial Shipments or Services:

- a) The BISE Sukkur accepts partial shipments / Services and also allows partial payments subject to pre-information and agreement, by observing other terms and condition laid down in the contract agreement.
- b) In the event any portion of the services supplied by the Contractor is found **defective or not up to the requirement**, or otherwise not in conformity with the requirement, the BISE Sukkur shall have the right to reject or require, in writing, rectification of the Stores/concerned section. In the latter case, the Contractor shall with utmost diligence, and at his own expense, make good/services the defects so specified or replace the defective supplies or services. If the Contractor fails to rectify or replace the rejected supplies, the BISE Sukkur may adopt any of the following options:
- I. replace or rectify, at its option, such defective supplies or services and charge to the Contractor the excess cost occasioned to the BISE Sukkur plus (15%) fifteen percent; or
 - II. Acquire the said Stores/Services at a reduced price considered equitable under the circumstances; or terminate the Contract.

Extension of Time:

If the completion of the Contract is delayed due to reason beyond the control of the Contractor, the Contractor shall without delay request the BISE Sukkur, in writing, of his **claim** for an extension of time. The BISE Sukkur on receipt of such request may agree to **extend the completion date** as may be reasonable in the circumstances of the case but without prejudice to other terms and conditions of the Contract.

Delay in Delivery – Liquidated Damages:

- a) **Delivery plan:** The Responding Organization shall provide a detailed delivery, installation and configuration plan. Bidder should provide the life line, which should describe exactly what and how material will be delivered, installed and configured. Delivery plan should not be in generic terms but should be specific to this assignment, Activities, schedule should be in tabular form mentioning names of

tasks, and sub tasks, start date, finish date resources and milestones will also be appreciated.

- b) **The progress** of the Contract at any time should not be lagging behind the program agreed between the BISE Sukkur and the Contractor, the BISE Sukkur will notify the Contractor in writing and the Contractor shall there upon take such steps as he / she may deem fit to **expedite the progress** of the Contract. Non-issuance of this notice by the BISE Sukkur shall not in any way absolve the Contractor of the liquidated damages as stated in below section (c).
- c) If the Contractor **fails to complete the Contract**, in full or part, within the time laid down in the Contract Agreement or any extension thereof, there shall be deducted from the Contract Price, as **liquidated damages**, equal to **(1%) of the Contract price** of each unit of the delayed Stores for each calendar week of delay subject to the maximum of five percent (5%) of the Contract Price of the unit or units so delayed, and such deduction shall be in full satisfaction of the Contractor's liability for the said failure.

Post Deployment Support & Services or Warranty:

Bidder is required to provide support services till 360 days from the date of supply or delivery of software, in this regard an under-tacking on company letter head is required to be submitted along with the technical proposal.

Training:

The bidder should provide a comprehensive training plan which should be flexible to cater to the current requirements. It should encompass all ranges of users i.e. functional, operational and managerial etc. Training Documents such as schedules, training material must be provided with the technical proposal.

Signing of Contract:

Within (15) working days after notification to the successful bidder regarding acceptance of his bid and submission of 3% Performance Security in shape of DD/Pay order or Bank Guarantee, the contract incorporating all agreements between the parties will be signed. The Contract agreement will be affixed with revenue stamps @ 0.35% of contract value as per stamp act. For sample of agreement refer to page No. 15.

Post Letter of Intent/ Contract Acceptance:

Before signing of formal contract, a letter of intent will be issued by the BISE Sukkur to the lowest best evaluated bidder. In response to letter of intent (LOI) the bidder will have to submit its letter of consent for acceptance of the LOI within the prescribed time period as per SPPRA, in case letter of acceptance is not received within stipulated time framework it will be assumed that first lowest evaluated or technical qualify bidder is not interested in signing the formal contract with this Board. In that situation the LOI will be issued to the second lowest evaluated or technical qualify bidder and the earnest money of first

evaluated bidder will be forfeited. This condition will also apply on the second and third evaluated bidder (as the case may).
